

# Gloomhaven + Forgotten Circles Organizer

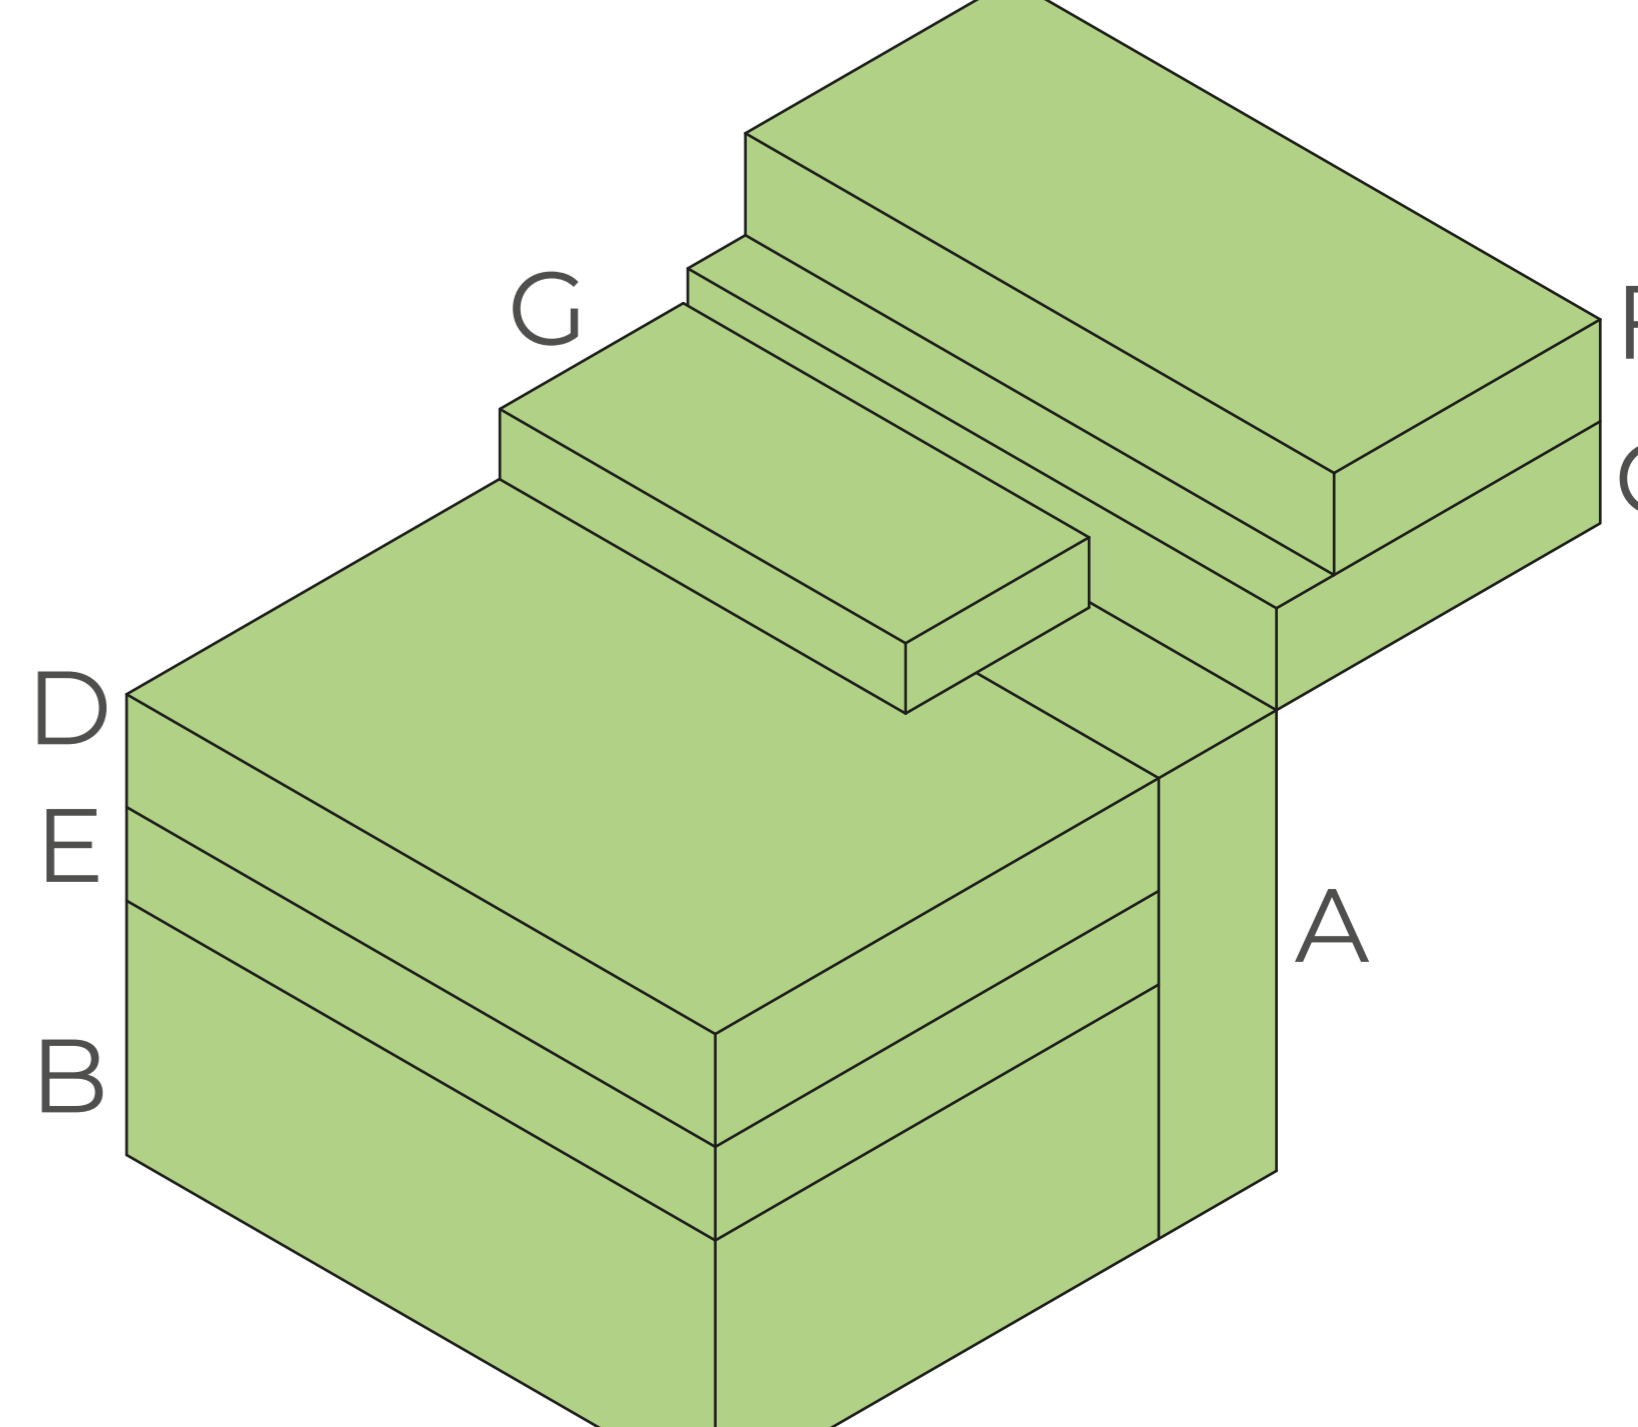

## LEGEND

- 1 Order of assembly
- 2 Порядок збірки
- 3

- A** — A separate tray to hold all the character miniatures;
- B** — A large tray with three separate lines to keep all the cards in the game with inlined separate holders for ability cards, attack modifier cards, character tokens, collected item cards, blessing cards, curse cards, battle goal cards, attack modifier decks, random scenario cards, quest cards, both types of random dungeon cards, road/city events, personal quest cards and with enough separators to organize all the subtypes of cards (e.g. items by type and prosperity/events by being locked/unlocked);
- C** — A closable tray to hold all the coins, hp tokens, trap tokens, bosses, negative effect tokens and chest (loot) tokens;
- D, E** — A dual tray holds all the monster tokens and terrain tokens;
- F** — A medium tray to hold all the HP/XP trackers, monster HP tracker, and bases for monster tokens;
- G** — An additional tray that keeps all the monster tokens from the Forgotten Circles expansion.

**LET'S MAKE GAMING MORE EXCITING TOGETHER!**
